

## FOR IMMEDIATE PRESS RELEASE

Due to each instructor's resignation as a driving instructor for the district, Bluffton-Harrison Metropolitan School District (BHMSD) driver's education classes for the 2015-2016 school year will no longer be offered. BHMSD is very appreciative for the over 30 years of dedicated service from Mr. Ken Ballinger, Mr. Stan Gilbert, and Mr. Norm Fogwell as Driver's Education instructors. Their combined efforts have successfully prepared Bluffton High School students for safe and responsible driving. Mr. Steve Baker, principal of Bluffton High School (BHS) commended the instructors' efforts by stating, "We greatly appreciate the quality teaching our driving instructors have provided through the years."
